Please note:

• Providers are accepting new patients unless noted.

• All providers are English-speaking; other languages are included if reported by providers.

• Please contact Member Services at 1-855-375-8811 (TTY1-866-209-6421) if you would like to confirm information in the directory.

• AmeriHealth Caritas North Carolina may use best practices to exclude a Network Provider from our consumer-facing directories if ACNC includes in a Provider Directory Policy, or other policy as appropriate, an explanation of the process and rules used by the ACNC when deciding whether to include a provider in a consumer-facing directory. Best practices specifically include, but are not limited to:

- A provider opts out of being in the directory, such as when the provider is not open to the general public (e.g., a student health center open only to students of the educational organization).

- A provider cannot traditionally be contacted directly for making appointments, such as facility-based providers like anesthesiologists or radiologists.

- Provider is otherwise outside the scope of what would normally be included in a provider directory, such as a Value-added service.
